

Fuses

Micro3 Blade Fuses

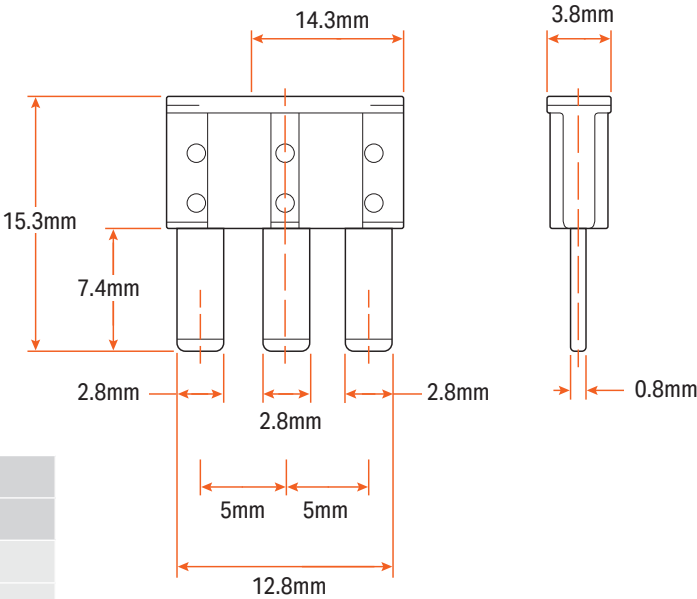

- Application:**
 - Materials:**
 - Voltage rating:**
 - Operating temperature:**

Designed primarily for the latest vehicles to save space and weight. Improved characteristics will provide increased protection of cables and devices. Fuse has 3 terminals and 2 fuse elements with a common centre terminal.

Tin plated zinc alloy.

32V DC max.

-40°C to +105°C.

Electrical Characteristics	
Load (% rating)	Opening Time (s) Min / Max
110	14,400 / -
135	0.75 / 120
200	0.15 / 5
350	0.04 / 0.5

Item No.	Colour	Current Rating (A)
FU45-5	Tan	5
FU45-7.5	Brown	7.5
FU45-10	Red	10
FU45-15	Blue	15
FU45-20	Yellow	20
FU45-25	Clear	25
FU45-30	Green	30
